### HOW TO USE THE HEALOW APP

The Healow APP is another way for Southern Crescent Family Practice patients to access their chart Online.

- 1.) Download the Healow App onto Android or iPhone
- 2.) Once you open the app click **GET STARTED**
- 3.) You can enter the **PRACTICE CODE** here (**JGACDA**)
- 5.) When you click **FIND MY DOCTOR** at the top you can select  
Select Practice: Southern Crescent Family Practice

6.) Once you have selected the location, login using the username and password if you already have one.

email (this will be the same username and password you use to get onto the Online patient portal). If you have never accessed your Online patient portal **the app will allow you to create a password.**

- 7.) Agree to Terms and Conditions
- 8.) You will be asked to enter a 4 digit pin for quick access to the Healow App
- 9.) Make sure you click complete enrollment at the end.
